Ayshen Mirzeyeva

Frontend Developer

I am a passionate and dedicated frontend developer, continuously honing my skills in the ever-evolving field of web development. With a strong foundation in core web technologies like HTML,CSS, and JavaScript, I have gained practical experience working with modern frontend frameworks such as React and Next.js. Throughout my education and personal projects,I have actively engaged in frontend development, applying my knowledge to build dynamic and responsive user interfaces.I am particularly interested in user interface design, UI/UX principles, and responsive web design, and I am committed to continuous learning and improvement in these areas. Currently, I am working as a junior frontend developerat a local startup, where I am eager to contribute and grow within a dynamic and innovative environment.
